Attachments: OSDHServices_Essential_Mandated_Imperative_3.16.18.xlsx

I am just waiting on one citation confirmation from Dr. Bradley and then this list ought to be in great shape. All citations have been added and imperatives have been cross referenced to the 2015 document. Once I get that back I will send everything out as one package.

Also, Brenda Mangum, Spencer Kusi and Alisha Harris all helped with these documents.
